Day 2: Exploring career ideas

Trainer's Profile

Maryam Waris

Ms. Maryam Waris with a (Hons) degree in English Literature is a promising educationist. She is working as a career counselor to advise and motivate students to help them making a right career choice. She is an inspiring motivational speaker and has trained and motivated several young students in selecting the successful careers. Her methodology is to counsel the students through self-assessment activities. She aims to guide and enable students for practical life & a prompt career. Her skills have helped in decreasing the level of depression & anxiety usually associated with choosing a career and thus preventing the wrong career selection.
