Trainer's Profile

Ar. Rida Zahra Khan

Ar. Rida Zahra with an MPhil degree in Architecture is working in the field of design for past 7 years both as a designer and an educator. She has taught in reputable universities as Interior design instructor and thesis adviser. She is specialized in executing practical design projects. She has executed several design projects off and on field hence being able to understand the ins and outs of the design process professionally as well as academically. She has a vibrant personality and ready knowledge of the construction industry hence enabling the students to come up with a dynamic spatial design from color selection to furniture placement etc.
